SIMPLE MEMBERSHIP INTAKE ORGANIZATIONS POLICY

RECRUITMENT ACTIVITIES REQUIREMENTS FOR NONNATIONAL PAN HELLENIC
COUNCIL MUSIC BAND ORGANIZATIONS

Grambling State University (GSU) has certain expectations of authorized student organizations that operate on the campus. Students who seek membership in organizations expect to join those organizations that meet academic and judicial requirements. As regards membership intake, these organizations are authorized to collect any fees and dues necessary for membership. Additionally, organizations must abide by the University hazing policy in the GSU Handbook. Any further membership intake activity is prohibited by this policy. A calendar of membership recruitment, including interest meetings must be submitted to the student organization office prior to the activity. Names and Student Identification numbers of candidates and members must be submitted within seven days of acceptance into the organization. All intake activity must take place on the campus of Grambling State University. Please submit an Activity Clearance form for all activities conducted (this includes organization meetings).

It is understood that individual members and the organization may be held responsible if this policy is violated. Therefore, we certify that our organization will comply with University policy regarding membership intake. The organization will not discriminate based on race, age, creed, sexual orientation, national origin, physical handicap or gender. (Sororities and fraternities may determine the gender of their members under the provisions of Title IX Education Code). Organization officers/advisors will make this information available to organization members.
